

Remote Deposit Capture/Mobile Check Deposit Disclosure

Accountholder's Warranties:

1. All checks must be endorsed by you, and you must write "FOR MOBILE CHECK DEPOSIT ONLY TO BUFFALO METRO FCU" for the check to be accepted. Otherwise, the check(s) will be rejected.
2. After submission you will not attempt to deposit the item again anywhere.
3. Always retain the original check(s) you deposit until you see it credited to your account. In the event a check is rejected, you will need the check to deposit at our branch.
4. Always update the Credit Union with your current email address. Members are notified of rejected check(s) via email.
5. Some checks that are made outside the banking standards (i.e. some rebate checks) will not be readable and will need to be deposited at a branch.
6. Deposits can be made to savings or checking; you may use mobile banking to make transfers to your other accounts at Buffalo Metropolitan Federal Credit Union.

Use of the Service:

We reserve the right to reject any item transmitted through Mobile Check Deposit, at our discretion, and we may limit the amount or number of items you can deposit with this service in a day or in a given period of time.

We are not liable for items we do not receive or for images that are not transmitted completely.

If an item you transmit for deposit is dishonored, rejected or otherwise returned unpaid, you agree that we may charge back the amount of the return to the account the check was originally deposited to and you may be assessed a fee as disclosed. If there are not sufficient funds in your account to cover the amount of the returned check, the account will be overdrawn, and you will be responsible for payment and/or related fees.

Business Day & Funds Availability Disclosure:

Even though you will see your check credited to your account immediately, funds are not available until the hold is released. Check holds will be placed on checks according to our Funds Availability Policy. The first \$225.00 from a deposit will be available by the first business day after the day of deposit. The remaining funds will be available by the second business day after the day of the deposit.

Longer check hold delays may apply according to the Funds Availability Policy. We will notify you if we delay your ability to withdraw funds for any reason.

They will generally be available no later than the seventh business day from the day of your deposit.
